

# Grade 2 News

2A 2B 2C

As we are getting close to the end of the year, we are working hard to continue learning in grade 2. It is important that your daughter comes to school every day with all of her materials so that she is ready to learn. We are looking forward to continuing learning new skills and to have fun learning experiences. Thank you for all of your hard work at home too!

From, Ms. Yasmeen, Ms. Welles and Ms. Sara

## What's happening in grade 2?

**ELA-In ELA**, the students will work on making predictions and irregular plural nouns. They will also begin working with suffixes for words.

**Math-This month in Math**, we will begin a new unit in Measurement and Data. We will learn how to count money and tell time. The math test will be on Monday, May 1.

**Science-As we begin our last unit**, Earth Materials, in science, we will study the Earth and how it changes over time.

**Social Studies-We will begin our International Unit** by studying different Native American Tribes.
